FAMILY & GENERAL PRACTICE

BRITTANY ALLOWAY, DO TERRY COPPERMAN, MD LINDSEY WILSON, FNP

Fall into CHANGE

Happy November! Fall is among us and as a valued patient of **South Hilyard Clinic**, we are very excited to announce the many changes coming in the new year.

As many of you have already heard, after much thought and consideration Dr. Terry Copperman sold the practice in August of 2021 to Dr. Brittany Alloway and his long-time clinic administrator, April Hansey. Dr. Copperman has invested more than 40 years into his practice, and he wholeheartedly loves, values, and respects his patients. His decision was not taken lightly and he needed to be sure his founding principles would be carried on. You can be sure the same quality of attention and personal warmth he is known for will continue.

Dr. Copperman plans to continue practicing 4 days per week until April 28, 2023, so there is plenty of time to schedule your next visit with him. Thereafter, he plans to perform vacation coverage and routine fill-in shifts for our wonderful practitioners, Dr. Brittany Alloway and Lindsey Wilson, NP-C. Our goal is to have five practicing medical providers before Dr. Copperman's full retirement. We are currently looking for new providers to complete our team. It is very important to Dr. Copperman that you know he will be leaving his clinic to energetic, compassionate, and experienced medical providers and staff who will continue his tradition of loving and caring for all patients. He is excited for the future of the clinic!

We are also pleased to announce that South Hilyard Clinic will be relocating to The Ten Coburg building on Coburg Road and acquiring a new clinic name, **Valley Med @ The Ten**. We will begin seeing patients at the new location on January 23, 2023. The new office is Eugene's premier medical professional building, which offers more clinical space, patient parking, and a convenient location. We are aware that some of you may find the change of location undesirable, but we truly hope you will follow us to our new location. We pledge to continue to go the extra mile to help every patient feel welcomed, supported, and cared for. We hope to have a personalized and trusting relationship with each of you.

We realize that change can be difficult but we plan to make the transition as smooth as possible for you. Our staff will be there to help should you have questions or concerns. We are grateful to you for entrusting South Hilyard Clinic with your healthcare needs over the years and we look forward to strengthening our relationship for years to come.

With love and affection,

Terry Copperman, MD

Brittany Alloway, DO

April Hansey

- 01 We're moving on January 23, 2023!
- 02 We are changing our name!
- 03 Note from Dr. Terry Copperman
- 04 Our lab of choice!

01 We're moving on January 23, 2023!

It is with great pleasure to inform you that on January 23, 2023, South Hilyard Clinic will be relocating to an upgraded, modern, medical professional facility within The Ten Coburg

building at **10 Coburg Road, Suite 201**. Located at the base of the Ferry Street Bridge on Coburg Road, patients will have convenient access to freeways, abundant parking, and easy entry and exits to the clinic.

04 Our lab of choice!

We recently transitioned our lab services to InterPath Laboratory. InterPath Laboratory, Inc. is a family owned and operated, full service reference laboratory with over 90 locations in Oregon, Washington and Idaho. As a convenience to our patients, InterPath Lab has a draw site at 10 Coburg Road, Suite 200, located on the second floor of The Ten Coburg building. Valley Med and InterPath Lab are next door to each other!

InterPath Lab is our lab of choice; however, we will continue our relationships with the other laboratories in town. If you prefer a different lab for your services, please let our staff know at your next appointment.

For more information regarding InterPath Laboratory and their locations, visit their website at www.interpathlab.com.

02 We're changing our name!

South Hilyard Clinic has begun the process of transitioning our clinic name to **Valley Med @ The Ten**. Your health is our first priority. While our name, logo, and location are new, we're still providing the same outstanding care with the same dedicated team. The new name and location will have no impact on your insurance benefits. Our new address will be 10 Coburg Road, Suite 201, Eugene, OR 97401 and our phone number will remain the same: 541-687-8581.

03 Personal Note from Dr. Terry Copperman

Dear Patients,

As I approach my "partial" retirement, I am excited and pleased with the coming changes. I am happy to be able to continue to see you on a part-time basis as I "retire" from full-time practice. I am confident that the values of love and caring that are the cornerstones of my medical practice will continue to inform your care under Dr. Brittany Alloway's and April Hansey's guidance. I look forward to seeing you in the new clinic!
